Overview

Drive more revenue

Convert customers in minutes with quick answers to their questions

Reduce customer service costs

Let our team of live agents take the most frequently asked questions off your plate

Create a magical customer experience

Turn first-time visitors into loyal customers with personalized support at every stage

Build personal relationships at scale

From first name greetings to customized offers, give every customer a reason to keep coming back

"Concierge gives our customers an immediate answer to any question, from 'where's my order?' to 'What is suitable for my hair type?' and drives a ton of extra sales as a result."

Jeremy Lipkin CEO, Navy Haircare
